

## 2008-2009 CHEETAH Center Videoconference Schedule

1) "Garrote and shtick" 9/4/08

**Primary Cores:** Hill (X-ray Crystallography), Sundquist (Virology, NMR)

**Secondary Cores:** Myszka (Protein Interactions)

2) "You're early, but please come in and take off your coat" 10/2/08

**Primary Core:** Hope (Virus Imaging)

**Secondary Core:** Sundquist (Virology)?

3) "You're looking TRIM" 11/6/08

**Primary Core:** Sundquist (Eukaryotic Expression)

**Secondary Cores:** Hope (Virus Imaging), Hill (X-ray Crystallography), Jensen (EM Tomography), Yeager (EM Crystallography)

**ANNUAL CHEETAH MEETING IN SAN DIEGO 11/21/08**

5) "Smokin' the pipeline" 12/18/08

**Primary Core:** Hill (X-ray Crystallography)

**Secondary Cores:** Sundquist (Virology/NMR), Gerace (Cell Biology/Imaging)?

6) "Unifying wave/particle duality" 1/8/09

**Primary Cores:** Jensen (EM Tomography) and Hope (Virus Imaging)

**Secondary Cores:** Sundquist (Virology)

7) "Lords of the rings" 1/22/08

**Primary Core:** Yeager (EM Crystallography)

**Secondary Cores:** Jensen (EM Tomography), Hill (X-ray Crystallography), Sundquist (Virology)

8) "Scatter shots" 2/5/09

**Primary Core:** Trehwella (Small Angle Scattering)

**Secondary Cores:** Hill (X-ray Crystallography), Sundquist (Virology)

9) "According to my calculations" 2/19/09

**Primary Core:** Voth (Computation)

**Secondary Cores:** Hill (X-ray Crystallography) and Sundquist (Virology/NMR)

10) "Array of hope" 3/05/09

**Primary Core:** Myszka (Protein Interactions)

**Secondary Core:** Sundquist (Virology)?

11) "Coming in late" 4/2/09

**Primary Cores:** Hope (Virus Imaging) and Sundquist (Virology)

12) "Reving the Motor" 5/7/09

**Primary Cores:** Williamson (Biochemistry) and Millar (Fluorescence Spectroscopy)

**Secondary Core(s):** Gerace (Cell Biology/Imaging) and Hill (X-ray Crystallography)?

**ANNUAL NIH MEETING IN BETHESDA**

**Evening 6/24 - Late Afternoon 6/26**
